## Round 11 Newsletter

It was arrivaderchi to the Romans & Con Ti Partiro to Christiano & friends as Euro 2008 reached the semis with only Chelsea, Liverpool & Arsenal now represented - not the same without les anglais methinks. Anyway not the best weekend for the Barny army with the weakened A's going down to the classy Umina, the C's held to a draw and the D's washed out but all 3 teams looking good for top 3 finishes.

### 2008 Terrace Songs ?

**Leeds** fans (to the tune of Kaiser Chiefs' Oh My God):

"Oh my God I can't believe it, we've never been this good away from home!"

**Middlesbrough** (Bon Jovi's Living On A Prayer):

"Ohh! We're half way there! Ohh-ohh! Aliadiere!"

**Man City** (Pink Floyd's Another Brick In The Wall):

"We don't need no Phil Scolari, We don't need Mourinho, Hey! Thaksin! Leave our Sven alone!"

**Man Utd** (Black Lace's Agadoo):

"Anderson-son-son, he's better than Kleberson, Anderson-son-son, he's our midfield magician,  
To the left to the right we'll dance the samba beat tonight, He is class, our midfield brass & he dumps on Fabregas

**Tottenham** (Elvis Presley's The Wonder Of You):

That's Ju-ande, Ju-ande Ramos!

**Arsenal** (The Jackson 5's Blame it on the Boogie):

"Don't blame it on Henry, don't blame it on the injuries, don't blame it on the referees, blame it on Eboue!"

**Newcastle** (The Beatles' Let It Be):

"When we find ourselves in times of trouble, Kevin Keegan comes to me. Speaking words of wisdom, Geremi!"

### Training

Weds 7pm to 9PM Terry Oval at Springfield.

### Also in the news

A roadside toilet stop ended in pain, embarrassment & almost death for a tourist when a highly venomous snake bit the end of his John Thomas. Highlighting the risks of top end travel, the deadly brown snake slithered between his legs & lunged at his manhood as he crouched on a roadside near Cairns but fortunately it didn't venomate. I'm sure there's a joke in there somewhere.....

A's Gavin  
Great work rate!

C's Phil Skidmore  
Goal from Right back!

D's Dave Thomas  
Due a goal?

### A's Match Report

Our injury hit side were holding a very strong table topping Umina side quite comfortably for an hour til a dubious goal was allowed by the stand in ref followed by a giveaway and a 3rd late breakaway as we pushed for a goal. (Kind of like the Italians against the Dutch) A fine battling display anyway with better days to come

### C's Match Report

A good display against Gosford who last week toppled leaders Wyoming ended 1-1 after Phil the Skid dashed upfield to cancel out an early penalty with several chances created to steal the 3 points but it wasn't meant to be. Looking good though!

### D's Match Report

Another washout unfortunately but good results elsewhere for us with 2nd & 3rd both losing
