**Round 12 Newsletter**

Good to see Liverpool & England winning Euro 2008 via Torres & very kind of FIFA to extend the tournament to 24 teams next time to make it easier for the English to qualify. (& the Scots & Irish of course) Meanwhile back in Terrigal, the known centre of the universe, a mixed weekend of results with the depleted A's unlucky not to finish off Ourimbah, the C's topping leaders Wyoming and the D's crashing to their 1st defeat of the campaign to Kincumber's over 45's by the close margin of 5-0. Oh well.

**Training**

Weds 7pm to 8PM Terry Oval at Springfield D's, C's at Duffy's 7PM Thurs due to State of Origin 3

**Also in the news**

After a years travel across the vastness of space & a safe landing on the very unexciting flat rock strewn Mars landscape, the \$420 million Phoenix Mars Lander finally managed to analyse some martian soil this week. And the conclusion was it's the perfect soil for growing asparagus. Well that was useful (who's gonna harvest it?).

**Guess the Lyrics**

Some classic lines from the immortal Marco & Adam;

*so whats the point in robbery  
when nothing is worth taking  
its kind of tough to tell a scruff  
the big mistake he's making*

and the big giveaway to those not in tune with classic lyrics "*da diddley qa qa, da diidley qa qa*"

A's Ray "Hammer"

Got bumped.. Bless

C's Aaron

A fine Goal!

D's TJ

man of the match

**A's Match Report**

A very classy performance from a patched up team ended goalless after a virtual onslaught for the last 20 minutes looking for a winner with Nigel hitting the bar & knocking the stuffing out of Ray who looked like he was going to be a hospital case but was soon back on rushing round like a looney again. Great defence & midfield performance!

**C's Match Report**

A goal down was wiped out by a fine equaliser from ? setup by Ed before Ed laid on our 2nd for Aaron & take the lead. Wyoming pulled it back to 2-2 before fine work from Ed led to Brad being hacked down who then unleashed an unstoppable shot to deservedly take all 3 points. A fine all round Team effort apparently. (Guess the reporter?)

**D's Match Report**

A tough fairly even game against a very tricky and well organised opposition was going well with a fine 1st half goal from Nigel but we couldn't get the crucial 2nd goal and were punished in the dying minutes by an excellent equaliser as Southern never gave up. Man of the match was Mark Leadbeatter on a bloody cold afternoon up the Mountain.
