Round 15 Newsletter

What a great sight seeing the masses at Randwick as World youth day came to an end though personally would not have been too keen on camping out there for the night, far too chilly. And only \$360 for the privilege. Meanwhile back on the coast, a meagre weekend for the troops with the A's being downed by the masterful Umina, the D's duped by Gosford and only the irrepressible C's taking any points with a fine win over East Gosford to climb to the summit with the end of season in sight.

Training

Weds 7 to 9PM at Terry Oval, Springfield.

Also in the news

Manchester United are reportedly chasing Kerlon, the latest in a long line of incredibly gifted Brazilians to stun the world of football with a magical piece of skill. Kerlon's party piece is the aptly named 'seal dribble' where he quickly flicks the ball up from the ground and onto his head and runs like hell towards the goal. Kerlon can balance and bounce the ball on his forehead at pace or while changing direction so is able to glide past opponents reminiscent of our very own Gaz-man at his sparkling best. Gazza's version of this trick where he runs along the wing pretending to be a seal is expected to be a highlight of next weeks game at Woy Woy.

A's Match Report

3-1 defeat to the runaway champions - sorry no other info this week

C's Match Report

A fine 2-0 win against a difficult East Gosford side lifted the boys into pole position with a goal from Brad and a fine goal from Ed after Maxie tactically switched him to the right. A fine win considering we were down to 10 men after an unfortunate sending off for reputedly giving adolf some verbal. Will be kind and won't say who (poo brown crocs)

D's Match Report

A good performance from all but too many missed opportunities and 2 soft early goals to the ever tough Gosford ended in a 2-1 defeat. John was rewarded for his hardwork with a finely executed goal to get us back in the match but unfortunately too late. A big thanks to Jess for running the touchline and good to see Dellboy back in action!

Punters Club

Would be nice to say we had a flutter on Cadel Evans for the Tour De France stage 14, the Aussies to beat the South Afrikaaners in the rugby and Lewis Hamilton to win British GP but no, we've swelled the funds by around \$4 in the past 3 weeks. Oh well.
