## Round 20 Newsletter

Great results for Terrigal and the Barny Army at the weekend with the D's taking out the Minor Premiership and the A's looking good for 2nd spot and therefore clean sweep of 3 major semi finals. I also noticed all 3 Terrigal teams involved in Finals last weekend won through, superb. Not so hot were the Mariners going down to Sydney 3-2 with Bosnich on the sideline, oh well. Even worse were Spurs, losing again as did the Gunners while Chelsea, Liverpool & Man Utd scraped wins leaving the mighty Hull 5th in the premiership some 40 places higher than Leeds who are comfortably keeping Leyton Orient and Southend company after drawing with Yeovil's over 55 womens team. No wonder Robbie turned up at Umina to see some decent football

### Training

Weds 7pm to 9PM Terry Oval at Springfield.

### Also in the news

Sad about Colin/Coleen the whale cub being euthanized but mum was found dead explaining why it was abandoned. Elsewhere the Olympiad ended, hair dye is on sale for dogs going grey, it's the 40 year anniversary of the Elvis comeback after he missed most of the 60's making shonky films and aussie legend Don Bradman would have been 100. A dinner was held 3 weeks ago on his 99.94 birthday representing his test average famously spoilt by a duck in his last innings needing a mere 4 runs for the magic 100. His top score was 452 not out and the reason Bodyline was devised though he still averaged 50 in that series. Rumour has it Maxie is considering a similar technique for this weeks major semi.

The C's Andy, Lee and Neal sporting the new Barnstoneworth training kit ready for Saturday mornings training run at the Haven. If you look carefully, Gazza, Brad, Phil, Nick, Briggsy, Bill, Aaron, Ed, Alan, Kev, Denis, Steve & Mark can be seen in the background wearing an assortment of armbands, rubber rings, flippers and a blow up doll ready for the swim. Good to see the guys preparing for their major semi final seriously tho' not sure about the green!

### A's Match Report

With the Entrance forfeiting against us and Umina seeing off Southern, we're a game away from the Major semi and getting back towards full strength - could be interesting!

### C's Match Report

Training only this week (in green mankini's?) down the Haven - Major semi next weekend go Maxie's Marvels!

### D's Match Report

A fantastic team effort to plunder a 2-0 win and the Minor premiership with a game to go in cold swirling winds at Umina. A superbly worked breakaway goal from John in the 1st half and a thundering finish from cap'n Nigel in the 2nd saw the fine Kincumber 2 side off and avenged the 5-0 thrashing & footballing lesson dished out to us earlier in the year. Dave Hextell had a great game again as MoM & a warm welcome back at last to Kev, our fave Optometrist!

## Punters Club

Not going well lately but we've got a dead cert for next week with Newcastle to beat Arsenal and Spurs to make it 3 losses on the trot against Chelsea while the Black Cats might be worth a punt away to Man City. Are West Ham still in the Premiership by the way?. The Mariners might even win now with a decent keeper!
