## Round 21 Newsletter

Almost a great weekend for the barny Army with the A's cruising into the major semi final, the D's easing to a comfortable win and the C's 0-0 and playing well till a giveaway with seconds to go against Woy Woy. So a big weekend next Saturday with 2 major semi's and a final to win. Gordon will be trying to emulate Zenit's tactics, Maxie hoping to turn it on like the Arsenal while I'm just hoping the D's kick off on time as half eight is way past our bedtime.

### Premiership News (plus Leeds)

Spurs getting a point away to Chelsea, West Ham actually winning, Wigan stuffing Hull, Arsenal teaching the toon army how to play football, Sunderland stuttering, Liverpool not firing & Man U stuffed by a great goal from Danny while what was Scholesy thinking of? Meanwhile Berbatov finally goes to Man Utd (Carlos and Wayne are chuffed), Robinho goes to City (why?) Spurs get a superb Russian but not the one they wanted while Newcastle get the best nickname signing "Nacho". Going to be an interesting season! Oops forgot um Leeds.

### Training

Weds 7pm to 9PM Terry Oval at Springfield. Penalty practise maybe required (especially D's!)

### Also in the news

Apparently census information has revealed Australia has a metro "man drought" with 100,000 more women though not in Mt Isa. Meanwhile Jason Donovan is back with his 1st album in 15 years unfortunately, featuring a cover version of his cover version of "Sealed with a kiss" whoopee. Top spot this week though, goes to Michael Jackson, 50 this year and recording an album of Rabbe Burn's work in a Glaswegian accent to a pop beat in time for the Bard's 250th anniversary next year. The Bard's official society is aghast saying the mere thought "grates on them a wee bit". Oh the anticipation!. By the way has anyone noticed Man Utd's Nani is the spitting image of MJ circa Thriller ?

### A's Match Report

A 6-1 cruise into the Major semi final and Neal going for a late season rush, getting his name on the scoresheet!

### C's Match Report

With Woy Woy down to 10 men, the score at 0-0, a stirring performance from everyone and seconds to go till extra time a finals place was beckoning till Woy Woy's striker just beat our keeper to the ball to steal a win. Now on to Wyoming this Saturday for a 2nd bite at the cherry on the 13th, best of luck to the C's, the Final is still there waiting!

### D's Match Report

A depleted minor premiership champions D's finished off the league season with a comfortable 3-0 quiet game against a sporting East Gosford side with a tap in from Dell and another brace from Nige. Not our best but a cultured display from our effervescent back line and Southern to face for a place in the Final. A fine season whatever!

**Punters Club**

No idea how we went this week but hopefully went for Arsenal scorching the Toon army, Spurs actually getting a point, Zenit to stuff Man Utd, Sarf Afrika to win the Ruggers (but to go 4 down in the cricket!) while poor old Leeds - nuff said.
